GETTING HERE

We look forward to welcoming you to the Ridge.

Please come in from Highway 150. Sulphur Mountain Road has two ends, and GPS often picks the wrong one. The Cañada Larga end is locked, so follow the steps below.

THE WAY IN

1. **Head for Frog Creek Farm, Ojai.**
   It sits right at our turn on Highway 150.
2. **Turn onto Sulphur Mountain Road.**
   Now switch your GPS to 6100 Sulphur Mountain Rd, about 15 minutes up.

CHECK-IN	From 4:00 PM. Please arrive in daylight, and by 9:00 PM at the latest.
WRONG WAY	On **Hwy 33 / N. Ventura Ave** or **Cañada Larga Rd**? Turn around for Ojai.
TO HIGHWAY 150	**Santa Barbara:** 101 S, exit 84, CA-150 through Ojai; 8 mi past town, turn right. **LA:** CA-126 to Santa Paula, CA-150 W; 10 mi on, turn left.
THE ROAD	Mostly paved, with a short dirt stretch near the house. Steep and unlit at night.

Scan to open the route before you leave.
Signal is patchy up here, so save the Ojai area in Google Maps offline.
